Nanticoke Historical Society Minutes April 2016

Minutes of the April 2016 Meeting

New members:

A complete updated list will be made available in our upcoming newsletter.

We are always looking for new member to become active in our operations.

Upcoming events:

Mill Memorial Library: fund raiser \$25.00 will be held at the Library April 23 6:00 to 8:00 pm Saturday.

John S. Fine Project Memorial Marker:

We got our official approval The Pennsylvania Museum and Historical Commission for the marker. The Marker is for the former Governor of Pennsylvania John S. Fine. 1951 to 1955.

Governor Fine was graduate of the Nanticoke School District. The placement of the marker on School Grounds will be tied in the former graduate in front of the site of the old Jr. High School. Mike Shamola coordinated the project for us. April 15th will be the day of the school board meeting to officially approve the placement of the marker on school distractive grounds. The proper paper work will be file with Harrisburg.

A Fund raising project will be started. The Cost of the Marker will approximately \$2,00.00. The time and date of the dedication ceremonies will be determined at a later date. We are planning an Open House to coordinate the Reading Room with a Marker Presentation.

The tentative date may be some time when school is session.

Upcoming projects:

From our photo collection we are working on proving all of our photos for wall presentation in a remodeled conference room of the School District.

Our photo collection is in the process of being index and entered into our archive database system. Our map collection as well will be indexed and entered into our database system.
